COMPANY OVERVIEW

About Us

Filipp Industries Limited is a fast growing company with a global interest. It is a Limited Liability company registered in May, 2021 with the Corporate Affairs Commission [CAC] Federal Republic of Nigeria. RC No. RC:1791980.

Our Quality Management System is in line with ISO 9001:2015 dictates while our Occupational Health and Safety management system aligns to OHSAS 18000:2007.

FILIPP INDUSTRIES LIMITED is a knowledge driven company with assemblage of competent, dedicated and resourceful team of men and women managing the company affairs.

MISSION & VISION

Mission

We aim to lead Nigeria's Marine, Oil, and Gas sector by delivering innovative, world-class services that meet international standards. Each project reflects our commitment to excellence, continuous improvement, and delivering value through safe, reliable, and cutting-edge solutions.

Vision

We aspire to establish a strong global presence in the supply of high-quality marine equipment and gear, as well as in delivering innovative solutions tailored to the needs of the Oil and Gas industry.

Our commitment is anchored on maintaining world-class safety protocols and quality standards, ensuring that every product and service we provide meets the highest levels of reliability, performance, and compliance.

COMPANY VALUES

Building lasting partnerships is at the core of our values. We prioritize understanding our clients' unique needs and challenges, tailoring our solutions to exceed their expectations. We believe in safety, environmental stewardship, integrity and excellence to ensure mutual success and satisfaction.

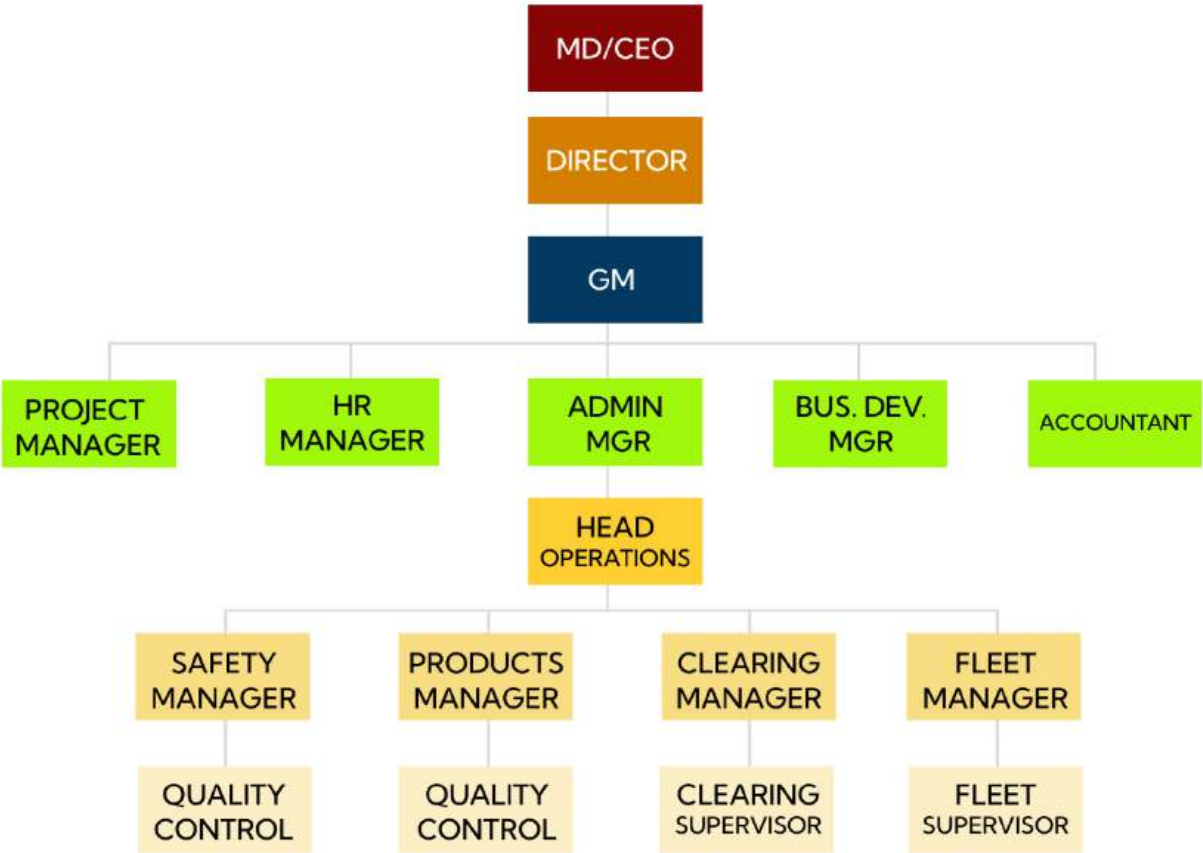

AREAS OF SPECIALIZATION

- ☑ Hiring of Marine equipment such as Tanker vessels, Tug boats, House boats, Barges, e.t.c.
- ☑ Oil and Gas, Marine Logistics Support Services
- ☑ Supplies of Automotive Gas Oil (AGO)
- ☑ General Supply

Our skills and experience within these sectors allows us to tailor our professional services to each sector and ensure that they only receive the best services, information, advice, support and solutions when required and on time.

PERSONNEL & COMPANY ORGANIZATION

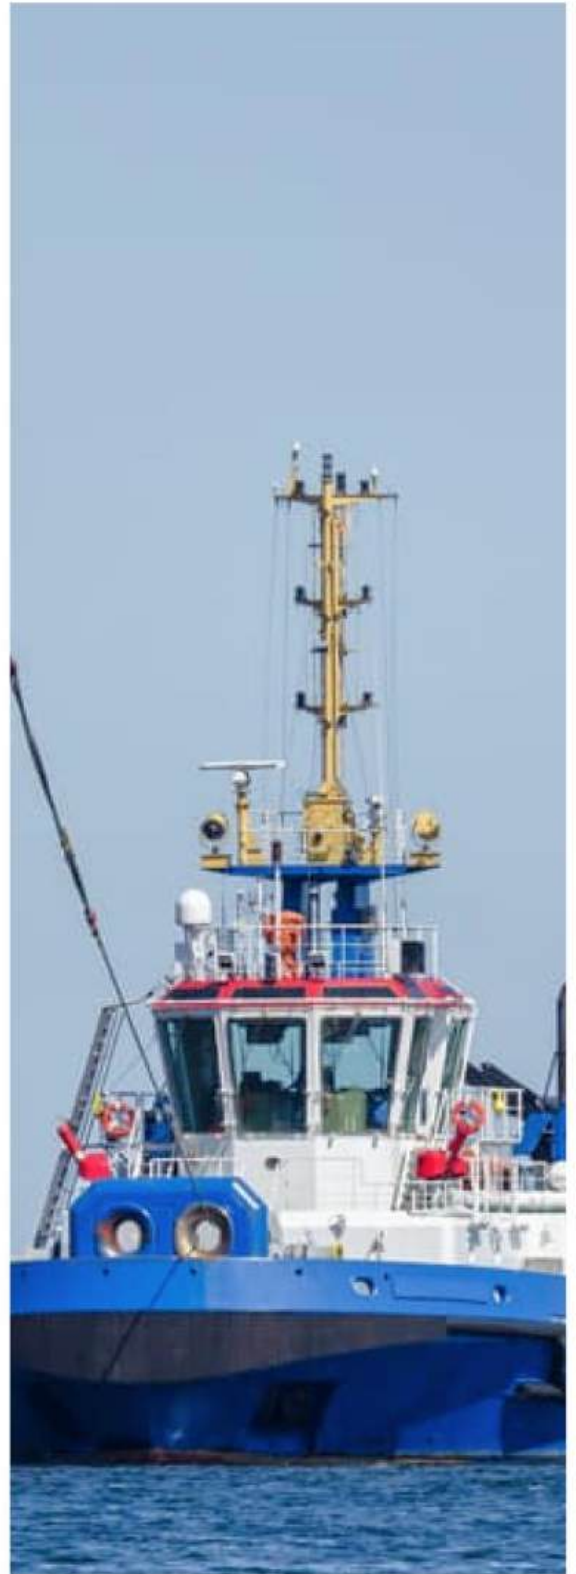

QUALITY POLICY

At FILIPP INDUSTRIES LIMITED, we are dedicated to consistently delivering high-quality vessels, products, and a wide range of general services that not only meet but exceed the expectations of our clients. Our operations are guided by recognized industry standards and best practices, ensuring reliability, efficiency, and excellence in every project we undertake.

We are deeply committed to continuous improvement, particularly in the area of quality management. Through well-structured training programs and performance driven initiatives, we empower every employee to perform their duties correctly the first time and every time. This culture of precision and accountability is embedded in all facets of our operations, reinforcing our promise of excellence to our clients.

At the heart of our mission is customer satisfaction and success. We view these as the ultimate measures of our performance. To that end, we have strategically tailored our internal processes and workflows to not only meet but consistently surpass our clients' delivery timelines. By doing so, we reaffirm our position as a reliable and forward-thinking partner in the Marine, Oil & Gas, and general services sectors.
